Dealer remarks

This vehicle won't be on the lot long! A great vehicle and a great value! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. With fewer than 50,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Top features include rain sensing wipers, front and rear air conditioning, power windows, and the power moon roof opens up the cabin to the natural environment. Smooth gearshifts are achieved thanks to the refined 6 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. Our sales reps are knowledgeable and professional. We'd be happy to answer any questions that you may have. We are here to help you.
