Dealer remarks

You won't want to miss this excellent value!

First and foremost is the striking exterior. A turbocharger further enhances performance, while also preserving fuel economy. With less than 20,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Audi prioritized practicality, efficiency, and style by including: tilt and telescoping steering wheel, power moon roof, and power front seats. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

Our experienced sales staff is eager to share its knowledge and enthusiasm with you. They'll work with you to find the right vehicle at a price you can afford. Call now to schedule a test drive.
