Dealer remarks

This vehicle won't be on the lot long!

It just arrived on our lot this past week! Top features include heated front seats, tilt and telescoping steering wheel, rain sensing wipers, and the power moon roof opens up the cabin to the natural environment. Smooth gearshifts are achieved thanks to the 3 liter 6 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

We pride ourselves in consistently exceeding our customer's expectations. Stop by our dealership or give us a call for more information.
