---

## Dealer remarks

---

Check out this 2019!

An awesome price considering its low mileage! A turbocharger further enhances performance, while also preserving fuel economy. This 4 door, 5 passenger sedan still has less than 25,000 miles! Top features include a split folding rear seat, leather upholstery, speed sensitive wipers, and seat memory. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain.

A test drive is waiting for you. Call now to schedule an appointment to our dealership.
