Dealer remarks

This Audi won't be on the lot long!

A great vehicle and a great value! A turbocharger further enhances performance, while also preserving fuel economy. Top features include rain sensing wipers, high intensity discharge headlights, a power rear cargo door, and leather upholstery. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain.

You will have a pleasant shopping experience that is fun, informative, and never high pressured. Please don't hesitate to give us a call.
