## Dealer remarks

---

Looking for a used car at an affordable price? Don't miss this great Audi!

You'll appreciate its safety and convenience features! The engine breathes better thanks to a turbocharger, improving both performance and economy. Audi prioritized practicality, efficiency, and style by including: delay-off headlights, adjustable headrests in all seating positions, and more. Smooth gearshifts are achieved thanks to the efficient 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

We'd also be happy to help you arrange financing for your vehicle. Stop in and take a test drive!
