Dealer remarks

This vehicle won't be on the lot long!

Distinctive design and opulent equipment are standard. A turbocharger further enhances performance, while also preserving fuel economy. With fewer than 35,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Audi prioritized practicality, efficiency, and style by including: heated seats, rear wipers, and leather upholstery. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

We pride ourselves in consistently exceeding our customer's expectations. Please don't hesitate to give us a call.
