Standard features

Dealer remarks

Check out this great value!

Blurring highway lines with an exceptional merger of performance and opulence. A turbocharger is also included as an economical means of increasing performance. With less than 30,000 miles on the odometer, this 4 door sedan excels in its class, and is equipped to provide comfort, safety and style. Comfort and convenience were prioritized within, evidenced by amenities such as: leather upholstery, telescoping steering wheel, and air conditioning. Under the hood you'll find a 6 cylinder engine with more than 300 horsepower, and for added security, dynamic Stability Control supplements the drivetrain.

Our sales reps are knowledgeable and professional. We'd be happy to answer any questions that you may have. Please don't hesitate to give us a call.
