2015 Audi A8 L 3.0T quattro Clean CARFAX. 19/29 City/Highway MPG Odometer is 9027 miles below market average!

Reviews:

* If you crave a full-size luxury sedan thatâ€™s conservative on the outside but sophisticated within, the A8 is the subdued standout in this segment. For buyers who donâ€™t already appreciate the benefits of a diesel engine over a gasoline one, the A8 L TDI is an awesome introduction. Source: KBB.com

* One trim, two engines (six or eight cylinder). The choices are simple with the 2015 Audi A8, but the car itself is not. New LED headlamp design and powerful creases in the hood as well as newly designed grille, bumper, and splitter combine to give the A8 model line fascia a wide stance and dynamic presence. Every detail you see within the A8 was meticulously engineered as an opportunity to enhance the driving experience. The standard sunroof with optional solar power integration, power rear sunshade and ambient lighting are just a few things that make the A8 a cut above the rest. The A8 model's extensive range of seat versions (18-way heated, power seats for driver and front passenger with safety belt reminders), its variety of premium leather seating surfaces all with comfort headrests, and other options provide different ways for different drivers to find an elevated sense of comfort and luxury. Audi TFSI direct injection technology enables the 3.0T or 4.0T engine to be powerful and responsive. Legendary Audi quattro AWD shifts power towards the axle with more traction at practically any time, helping provide greater handling precision. Audi connect offers Google Earth imagery and Wi-Fi connectivity for up to eight devices. This sleek sedan also boasts 14 speakers in a BOSE surround sound system with noise compensation and an in-dash DVD player. Beyond luxury and comfort, the Audi A8 is extremely safe with multiple airbags, occupant detection for those airbags, lower anchors and tethers for car seats, tire pressure monitoring and anti-theft device with immobilizer.
