Dealer remarks

This vehicle won't be on the lot long!

It delivers style and power in a single package! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. With just over 10,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Audi prioritized handling and performance with features such as: high intensity discharge headlights, a roof rack, and remote keyless entry. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

You will have a pleasant shopping experience that is fun, informative, and never high pressured. Please don't hesitate to give us a call.
