Dealer remarks

This vehicle won't be on the lot long!

It just arrived on our lot, and surely won't be here long! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. With less than 40,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. All of the premium features expected of an Audi are offered, including: front and rear reading lights, an automatic dimming rear-view mirror, and power front seats. Smooth gearshifts are achieved thanks to the efficient 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

Our sales reps are extremely helpful & knowledgeable. We'd be happy to answer any questions that you may have. Stop in and take a test drive!
