# Dealer remarks

---

Introducing the 2016 Audi Q5!

Packed with features and truly a pleasure to drive! A turbocharger further enhances performance, while also preserving fuel economy. Audi infused the interior with top shelf amenities, such as: high intensity discharge headlights, cruise control, and power windows. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

Our sales reps are knowledgeable and professional. We'd be happy to answer any questions that you may have. We are here to help you.
