## Dealer remarks

---

This Audi won't be on the lot long!

Very clean and very well priced! A turbocharger is also included as an economical means of increasing performance. With just over 30,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Top features include power front seats, a leather steering wheel, high intensity discharge headlights, and power windows. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

You will have a pleasant shopping experience that is fun, informative, and never high pressured. Stop by our dealership or give us a call for more information.
