Dealer remarks

This vehicle won't be on the lot long!

It comes equipped with all the standard amenities for your driving enjoyment. A turbocharger further enhances performance, while also preserving fuel economy. With fewer than 50,000 miles on the odometer, this versatile and environmentally responsible vehicle provides both comfort and driving innovation! Top features include air conditioning, a power seat, heated door mirrors, and power windows. Audi made sure to keep road-handling and sportiness at the top of its priority list. Smooth gearshifts are achieved thanks to the efficient 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

Our knowledgeable sales staff is available to answer any questions that you might have. They'll work with you to find the right vehicle at a price you can afford. We are here to help you.
