More information about the 2015 Audi A4:

The Audi A4 is a compact luxury sedan with a sporting cousin in the S4. Both aim to bring a high-quality all-around driving experience to buyers looking for a bit of practicality and luxury in the mid-\$30,000 range. With more personality than an similarly priced mid-sized sedan, the A4 gives up a little bit of size, but offers additional sport and luxury in equal helpings. A turbocharged engine and advanced chassis make the A4 feel lively, while it's finely crafted interior is practically dripping with quality. A supercharged V6 in the S4 brings an impressive level of performance to a practical 4-door.

Interesting features of this model are Attractive styling, available all-wheel-drive, high quality feel, great interior, many available configurations
