Dealer remarks

Looking for a used car at an affordable price? You won't want to miss this excellent value!

It just arrived on our lot this past week! The engine breathes better thanks to a turbocharger, improving both performance and economy. With fewer than 45,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Audi prioritized handling and performance with features such as: 1-touch window functionality, a trip computer, and power front seats. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain.

Our aim is to provide our customers with the best prices and service at all times. Please don't hesitate to give us a call.
