Dealer remarks

How about this great vehicle!

It delivers an exhilarating ride without compromising safety and comfort! The engine breathes better thanks to a turbocharger, improving both performance and economy. With fewer than 15,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Audi infused the interior with top shelf amenities, such as: 1-touch window functionality, front fog lights, and cruise control. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain.

Our experienced sales staff is eager to share its knowledge and enthusiasm with you. We'd be happy to answer any questions that you may have. Call now to schedule a test drive.
