Recent Arrival! Certification Program Details: DESIGNED | TESTED | BACKED BY AUDI

Over 125 components are inspected by Audi trained technicians to ensure each Audi Certified pre-owned vehicle is in optimal condition. Only after this comprehensive dealer inspection are we confident in backing the vehicle with our Audi Certified pre-owned Limited Warranty - which is more than a seal of approval, it's a badge of honor.

* Audi Certified pre-owned Limited Warranty

-Every Audi CPO receives a 2 year, 50,000 mile warranty (whichever comes first) and begins after the new car 4 year, 50k mile warranty expires.

* Comprehensive Dealer Inspection and Certification Process

-Not every Audi makes the cut! It must be less than 5 model years old with under 60,000 miles and pass our Audi Certified Technician Inspection.

* Complimentary Scheduled Maintenance

-Audi Certified pre-owned customers who finance through Audi Financial Services will receive an Audi Care or Audi Care Select package that covers the vehicle's next two scheduled maintenance intervals at no additional cost.

* 24-Hour Roadside Assistance for Two Years

-2 years of 24-Hour Roadside Assistance begins when the CPO warranty starts and is not limited to miles

* Transferable Warranty

-Transferable Warranty to a new owner without restrictions

* Vehicle History Report

Provided at no charge for extra peace of mind.

Further information (Disclaimer)

¹ Gasoline cars: Never drive until the tank is completely empty. The irregular supply of fuel that results from that can cause engine misfires. Uncombusted fuel will then enter the exhaust system. This can cause overheating and damage to the catalytic converter. Electric cars: Never drive the battery down to a completely empty state of charge.
