An awesome price considering its low mileage! All of the premium features expected of an Audi are offered, including: an automatic dimming rear-view mirror, a power rear cargo door, and the power moon roof opens up the cabin to the natural environment. Smooth gearshifts are achieved thanks to the 3.2 liter 6 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

You will have a pleasant shopping experience that is fun, informative, and never high pressured. Please don't hesitate to give us a call.
