## Dealer remarks

---

Check out this 2018!

This is a superior vehicle at an affordable price! The engine breathes better thanks to a turbocharger, improving both performance and economy. With fewer than 35,000 miles on the odometer, this 4 door sedan prioritizes comfort, safety and convenience. Audi prioritized handling and performance with features such as: speed sensitive wipers, heated door mirrors, and seat memory. Performance and efficiency are both prioritized thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

Our experienced sales staff is eager to share its knowledge and enthusiasm with you. We'd be happy to answer any questions that you may have. Please don't hesitate to give us a call.
