Dealer remarks

You can consider this a NEW 2018 Audi A-4. Before you buy a new Honda Accord or Toyota Camry, you have to at least consider this super low mileage Audi A-4 Quattro.

This is the loaded BIG BUCKS Premium Plus model with every bell and whistle including navigation, full power, heated seats, lane assist, autonomous braking, accident avoidance, 18" alloys and the beat goes on.

It looks sensational in Moonlight Blue accented with Gray Oak real wood inlays. This is Audi Certified so it's fully reconditioned and backed by a tremendous factory warranty... and just a note. many of our fellow Audi dealers like to skimp and save by omitting Audi Certification.... we don't

For the times, a great value at \$31,995
