Dealer remarks

Protect this 2021 Audi A5 from unwanted accidents with a cutting edge backup camera system. Good News! This certified CARFAX 1-owner vehicle has only had one owner before you. The Audi A5 is a manufacturer certified pre-owned vehicle. Our dealership has already run the CARFAX report and it is clean. A clean CARFAX is a great asset for resale value in the future. This 2021 Audi A5 has a 2.0 liter 4 Cylinder Engine high output engine. This model has an elegant black exterior finish. This unit features a HomeLink System. Conquer any rainy, snowy, or icy road conditions this winter with the all wheel drive system on it. This unit is equipped with a gasoline engine. Help alleviate lower back pain with the driver seat lumbar support in this small car. It has an adjustable telescoping wheel that allows you to achieve a perfect fit for your driving comfort.

Further information (Disclaimer)

¹ Top track speed electronically limited in the U.S. Always obey speed and traffic laws.

² Gasoline cars: Never drive until the tank is completely empty. The irregular supply of fuel that results from that can cause engine misfires. Uncombusted fuel will then enter the exhaust system. This can cause overheating and damage to the catalytic converter. Electric cars: Never drive the battery down to a completely empty state of charge.
