## Dealer remarks

---

Want to stretch your purchasing power? This Audi won't be on the lot long!

Assembled with the most discerning driver in mind. A turbocharger is also included as an economical means of increasing performance. This 2 door, 4 passenger coupe still has less than 25,000 miles! All of the following features are included: power front seats, rain sensing wipers, and leather upholstery. Audi made sure to keep road-handling and sportiness at the top of its priority list. Smooth gearshifts are achieved thanks to the refined 6 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

Our sales reps are knowledgeable and professional. We'd be happy to answer any questions that you may have. Stop by our dealership or give us a call for more information.
