## Dealer remarks

---

You won't want to miss this excellent value!

This is a superb vehicle at an affordable price! A turbocharger further enhances performance, while also preserving fuel economy. With fewer than a thousand miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Audi prioritized practicality, efficiency, and style by including: front and rear reading lights, automatic temperature control, and more. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

Our sales reps are extremely helpful & knowledgeable. We'd be happy to answer any questions that you may have. Call now to schedule a test drive.
