Dealer remarks

Check out this great value! You'll appreciate its safety and convenience features! A turbocharger further enhances performance, while also preserving fuel economy. This 4 door, 5 passenger hatchback still has fewer than 30,000 miles! Audi prioritized fit and finish as evidenced by: automatic dimming door mirrors, rain sensing wipers, and leather upholstery. We have the vehicle you've been searching for at a price you can afford. Stop by our dealership or give us a call for more information.
