Dealer remarks

This vehicle won't be on the lot long!

Feature-packed and decked out! A turbocharger further enhances performance, while also preserving fuel economy. With fewer than 35,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Audi prioritized comfort and style by including: automatic temperature control, front fog lights, and leather upholstery. Smooth gearshifts are achieved thanks to the 3 liter 6 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

We pride ourselves on providing excellent customer service. Stop by our dealership or give us a call for more information.
