## Dealer remarks

---

Check out this 2020!

Assembled with the most discerning driver in mind. Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. With fewer than 15,000 miles on the odometer, this 4 door sedan prioritizes comfort, safety and convenience. Audi prioritized handling and performance with features such as: speed sensitive wipers, automatic temperature control, and power windows. It features a front-wheel-drive platform, an automatic transmission, and a 2 liter 4 cylinder engine.

Our sales reps are knowledgeable and professional. We'd be happy to answer any questions that you may have. Stop by our dealership or give us a call for more information.
