Dealer remarks

What a fantastic deal! Check out this 2020!

This is a superior vehicle at an affordable price! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. With fewer than a thousand miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Audi prioritized fit and finish as evidenced by: a power rear cargo door, rain sensing wipers, and power front seats. Under the hood you'll find a 6 cylinder engine with more than 300 horsepower, providing a smooth and predictable driving experience. Well tuned suspension and stability control deliver a spirited, yet composed, ride and drive

We have a skilled and knowledgeable sales staff with many years of experience satisfying our customers needs. We'd be happy to answer any questions that you may have. We are here to help you.
