This 2022 Audi Q5 Sportback comes with a CARFAX Buyback Guarantee, which means you can buy with certainty. This exceptional 2022 Q5 Sportback S line Premium has passed the Audi stringent standards and has been hand-selected to become a Certified Pre-Owned vehicle. The quality of this vehicle will undoubtedly ensure a worry-free buying experience.

The Audi Q5 Sportback is the benchmark all other SUVs strive to meet. With exceptional power, towing and handling, this SUV can handle anything thrown at it. Sophistication & understated luxury comes standard on this Audi Q5 Sportback S line Premium. Well-known by many, the Q5 Sportback has become a household name in the realm of quality and prestige.

No matter the varying terrain or weather conditions, this all-wheel drive vehicle will help you reach your destination safely and securely in a well-appointed cabin with many features found on cars twice the price. Added comfort with contemporary style is the leather interior to heighten the quality and craftsmanship for the Audi Q5 Sportback S line Premium.

With an **Audi Certified pre-owned vehicle**, you not only get an impressive CPO luxury vehicle, you also get the peace of mind that comes with an **Audi backed limited warranty** coverage. That means your Audi will have a solid backing. To put this into perspective, let's just say you have the desire to explore every last mile of the U.S. Interstate Highway System. With this kind of warranty behind you, there's no reason you couldn't do so in total confidence, especially knowing you can pull into any one of our dealerships across the country, should an unlikely mechanical issue arise.

Our **No Hassle Internet Pricing** mission is to present value to all of our customers. **No Hassle Internet Pricing** is achieved by polling over 20000 vehicle listings hourly. This ensures our customers receive real-time **No Hassle Pricing** on every pre-owned vehicle we sell. **We do not artificially inflate our prices in hopes of winning a negotiating contest with our customers!** Our pricing is based on actual transactions. After doing business from New Hampshire to California we find this approach is by far the best for our customers.

Further information (Disclaimer)

¹ Top track speed electronically limited in the U.S. Always obey speed and traffic laws.

² Gasoline cars: Never drive until the tank is completely empty. The irregular supply of fuel that results from that can cause engine misfires. Uncombusted fuel will then enter the exhaust system. This can cause overheating and damage to the catalytic converter. Electric cars: Never drive the battery down to a completely empty state of charge.
