Standard features

Dealer remarks

This Audi won't be on the lot long!

Injecting the driving experience with world class power, precision and modern style! A turbocharger further enhances performance, while also preserving fuel economy. With less than 30,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Audi prioritized handling and performance with features such as: turn signal indicator mirrors, rain sensing wipers, and the power moon roof opens up the cabin to the natural environment. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

Our experienced sales staff is eager to share its knowledge and enthusiasm with you. We'd be happy to answer any questions that you may have. Call now to schedule a test drive.

Technical Specifications
