Dealer remarks

This vehicle won't be on the lot long!

Offering crisply executed design, generous interior space and a fully capable powertrain! With fewer than 45,000 miles on the odometer, this 4 door sedan prioritizes comfort, safety and convenience. Audi prioritized handling and performance with features such as: automatic dimming door mirrors, front and rear air conditioning, and the power moon roof opens up the cabin to the natural environment. Smooth gearshifts are achieved thanks to the 3 liter 6 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. All wheel drive keeps this model firmly attached to the road surface.

We know that you have high expectations, and we enjoy the challenge of meeting and exceeding them! Please don't hesitate to give us a call.
