We are constantly sanitizing our vehicles, offices, showroom, etc..Call Our Sales Team Now at 941-922-0000 for More Info, a Test Drive Appointment or to have a Custom Video Sent to you on this Car. Fast Out of State Shipping Available!..What Edmunds.com says about this vehicle..Cabin offers the design you anticipate and doesn't skimp on materials. Fuel-efficient engines still deliver respectable thrust. Manages corners and bumps equally well. Ample standard equipment. Top crash test scores. Just because it has a premium badge doesn't mean it's out of your reach. Attractive, upscale and fun to drive, the 2016 Audi A3 sets the standard for the new, smaller crop of entry-level luxury cars. Check out what this German sedan is all about. The 2016 Audi A3 marks the second year of production for Audi's compact sedan and soft-top convertible (Cabriolet), but the honeymoon's far from over. Like the original A4 from the late 1990s, the pint-sized A3 has struck a chord with shoppers who appreciate its relatively modest dimensions and pricing. Unlike many entry-level luxury models over the years, the A3 manages to capture the essence of the brand, delivering authentic Audi style, quality and performance despite its affordability. You're not slumming it if you choose the A3; you're just picking the Audi that happens to fit your life. The A3 sedan's primary rival is the Mercedes-Benz CLA-Class sedan. The CLA is stylish, but the Audi beat it handily in an Edmunds comparison test. We also recommend the A3 over the underwhelming 2016 Acura ILX. If your lifestyle calls for a genuine luxury car in a tidy little wrapper, the 2016 Audi A3 is the best of the breed. In government crash tests, the 2016 Audi A3 sedan was awarded the top five-star rating overall, including four stars for total front-impact protection and five stars for total side-impact protection. The independent Insurance Institute for Highway Safety (IIHS) gave the A3 sedan the highest possible rating of "Good" in its small-overlap frontal-offset, moderate-overlap frontal-offset, side-impact and roof-stre...
