KelleyBluebook.com says... "The A6 interior is handsome, quiet and comfortable, and four adults fit with ease inside the luxurious 5-seat cabin. This is a sophisticated German sedan equally at home in the city or on the highway, where the quiet and smooth nature of the car masks its speed, making 70 mph feel like about 50."

Edmunds.com says... "One of the Audi's most attractive character traits is its build quality. Interior surfaces are excellent to the eye and to the touch while exterior panel gaps are all consistent. Even up against rivals from BMW and Mercedes, the Audi still feels top-notch."

MotorTrend.com says... "We were impressed with the A6's nimble handling, especially considering how smoothly it rides. We praised the 2019 A6's superbly executed interior with its vault-like isolation and excellent materials. The chassis offers composed handling and a comfortable ride."
