9VD	Audi sound system
9S7	7.0" color driver information system
7Y1	Audi side assist
6I3	Audi active lane assist
9ZX	Preparation for mobile phone (Bluetooth®) with streaming audio

Dealer remarks

Check out this 2021!

First and foremost is the striking exterior. Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. With less than 20,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Audi prioritized comfort and style by including: a power seat, rain sensing wipers, and air conditioning. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

Our sales reps are knowledgeable and professional. They'll work with you to find the right vehicle at a price you can afford. Stop by our dealership or give us a call for more information.

Technical Specifications

(1/2)

Engineering | Performance

Engine type	2.0-liter four-cylinder
