Dealer remarks

Your satisfaction is our business! How about this great vehicle!

With a commanding stance and aerodynamic design, this vehicle owns the road! The engine breathes better thanks to a turbocharger, improving both performance and economy. Top features include leather upholstery, power front seats, an overhead console, and more.

We'd also be happy to help you arrange financing for your vehicle. Come on in and take a test drive!

Technical Specifications

Further information (Disclaimer)

¹ Top track speed electronically limited in the U.S. Always obey speed and traffic laws.

² Gasoline cars: Never drive until the tank is completely empty. The irregular supply of fuel that results from that can cause engine misfires. Uncombusted fuel will then enter the exhaust system. This can cause overheating and damage to the catalytic converter. Electric cars: Never drive the battery down to a completely empty state of charge.
