Standard features

Dealer remarks

This Audi won't be on the lot long!

Both practical and stylish! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. With less than 10,000 miles on the odometer, this versatile and environmentally responsible vehicle provides both comfort and driving innovation! Audi prioritized fit and finish as evidenced by: speed sensitive wipers, power door mirrors and heated door mirrors, and power seats. Smooth gearshifts are achieved thanks to the efficient 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

Our experienced sales staff is eager to share its knowledge and enthusiasm with you. We'd be happy to answer any questions that you may have. We are here to help you.

Technical Specifications

(1/2)

Engineering | Performance

Engine type	2.0-liter four-cylinder
Engine block	Cast-iron
Induction/fuel injection	Turbocharged/FSI®
Displacement	2.0 l
Cylinder head	Aluminum-alloy
Displacement/Bore and stroke	1,984/82.5 x 92.8 cc/mm
