Audi of Stratham has the Luxury vehicle you've been searching for at a price that fits your budget As an employee owned company our mission is to make you a customer for life.

### Reviews:

\* If you're seeking a car that regularly qualifies as one of the best luxury car buys year after year, Audi's A4 and S4 performance sedans for 2015 won't disappoint. Excellent performance without a harsh ride complement the A4's stunning interior, whisper-quiet cabin, and user-friendly electronic interfaces. Source: KBB.com

\* High-quality cabin; comfortable ride quality; less expensive than some rivals. Source: Edmunds

\* Audi continues its streak of sleek curves, single frame grilles and athletic style with the 2015 A4, and continues to be offered in three trim levels. Its interior is leather down to the wrapped, multi-functioning steering wheel. The center console, dashboard and door feature aluminum inlays. Sunroof, driver and passenger sun visors with vanity lighted mirrors and power windows with pinch protection are all standard features. LED headlights with daytime running lights are also enjoyed at every level.. For the tech enthusiasts, the option is available to turn your steering wheel into a Wi-Fi hotspot that highlights Audi Connect and Google Earth for navigation, news and weather. For adrenaline junkies, the A4 offers a revised 2.0-liter TFSI engine that presents agility and efficiency, direct injection and turbo charging while also providing fuel economy. Diesel fans are in luck, a diesel engine is optional for 2015. When used as a more compact family sedan, the Audi A4 offers an array of safety features including lower anchors and tethers for children's car seats, safety belt reminders for front passengers and a thorough range of airbags that will unlock the car when deployed (driver and front passenger dual-stage with detection system, front thorax side, and head curtains). The A4 also has four-wheel antilock brake system with electric brake-pressure distribution and brake assist. Source: The Manufacturer Summary
