Dealer remarks

How about this great vehicle!

It just arrived on our lot, and surely won't be here long! The engine breathes better thanks to a turbocharger, improving both performance and economy. With less than 2,000 miles on the odometer, this 4 door sedan prioritizes comfort, safety and convenience. Audi prioritized comfort and style by including: front and rear reading lights, a power seat, and remote keyless entry. Smooth gearshifts are achieved thanks to the refined 6 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

We'd also be happy to help you arrange financing for your vehicle. Stop by our dealership or give us a call for more information.
