## Dealer remarks

---

Not the least expensive 2014 Audi A-8L ..just the best. This is a virtually NEW Audi A-8L that was formerly owned by a super guy, who babied it and because he is beyond L000000000ADED, made certain that if this car burped... it was in for service.

The most desirable A-8..you could want. This is the V-8, 4 liter 420horsepower flame thrower in Phantom Black Pearl with Black leather. Totally loaded including Premium Package, Audi Side Assit, 22 way power seat with massage, LED headlights, cold weather package..heated rear seats and more.

If you want a \$100,000 plus super car, at a Toyota Camry price, this is something you have to consider. And if you are an Uber luxury driver, doesn't get better than this.
