Dealer remarks

You won't want to miss this excellent value!

It just arrived on our lot, and surely won't be here long! The engine breathes better thanks to a turbocharger, improving both performance and economy. This 4 door, 5 passenger sedan still has fewer than 40,000 miles! Audi prioritized handling and performance with features such as: front and rear air conditioning, rain sensing wipers, and much more. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

We pride ourselves in consistently exceeding our customer's expectations. Please don't hesitate to give us a call.
