### EXPERTS CONCLUDE

"We have been impressed with the A3 e-tron's supple ride and commendable handling. It drives with a solidity, refinement and sophistication that you just won't get from non-luxury hybrid models such as the Chevy Volt or Toyota Prius Prime." -Edmunds.com.

### WHO WE ARE

We believe that we deliver customers happiness because we put an emphasis on providing exceptional customer service. We're here to listen to your automobile needs and answer your questions to help you make a smart decision about buying or leasing a new or pre-owned vehicle-the professionals here will never push you into a car purchase or lease. We call it the DCH Way. and we think you'll like what we have to offer.

Horsepower calculations based on trim engine configuration. Please confirm the accuracy of the included equipment by calling us prior to purchase.

## Further information (Disclaimer)

<sup>1</sup> Top track speed electronically limited in the U.S. Always obey speed and traffic laws.

<sup>2</sup> Never drive until the tank is completely empty. The irregular supply of fuel that results from that can cause engine misfires. Uncombusted fuel will then enter the exhaust system. This can cause overheating and damage to the catalytic converter.
