Dealer remarks

This Audi won't be on the lot long!

Distinctive design and opulent equipment are standard. The engine breathes better thanks to a turbocharger, improving both performance and economy. With less than 30,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Audi prioritized handling and performance with features such as: a power seat, heated door mirrors, and remote keyless entry. Smooth gearshifts are achieved thanks to the efficient 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

Our aim is to provide our customers with the best prices and service at all times. Please don't hesitate to give us a call.
