Dealer remarks

This Audi won't be on the lot long!

It just arrived on our lot this past week! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. With fewer than 35,000 miles on the odometer, this vehicle combines dashing good looks with great efficiency and utility! All of the premium features expected of an Audi are offered, including: a built-in garage door transmitter, power door mirrors and heated door mirrors, and power front seats. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain.

Our experienced sales staff is eager to share its knowledge and enthusiasm with you. We'd be happy to answer any questions that you may have. Come on in and take a test drive!
