ConsumerReports.org says... "When the current Q5 first went on sale, its subtle redesign barely hinted at the many improvements made compared with its previous generation. With the redesign comes a better ride, along with more space and power, yet fuel economy has also improved."

Kelley Blue Book says... "In the hotly contested compact-luxury-SUV market, the 2020 Audi Q5 stands out with its handsome styling, sophisticated interior and impressive performance. Up against a host of less expensive rivals, the Q5 impresses with its efficient yet powerful 2.0-liter turbocharged engine and standard quattro all-wheel drive."

CarandDriver.com says... "The turbo four provides plenty of punch to scoot the Q5 around town or blast down a highway on-ramp, and it is smooth, quiet, and mellifluous. Its cabin boasts impeccable build quality and upscale features."

Edmunds.com says... "The newest version, introduced in 2018, has continued the Q5's upward trajectory and remains one of our favorites in a competitive segment. We like the compact dimensions of the Q5 and the ease with which passengers can get in and out of it, even in tight parking spots. And with its quality materials and clean design, the interior continues to impress us as well. Other advantages include advanced but easy-to-use technology features and smooth road manners."

Brilliant Black with Black Leather interior, Automatic with the Optional Paddle Shift feature, 2.0L 4-Cylinder engine with 252 Horsepower for Great Power and Performance and Quattro All Wheel Drive for Superior Traction on Wet and Dry Surfaces...so this Audi Q5 is Fun to Drive and VERY SAFE Too!!!

Also, Enjoy the Comfort, Convenience, Styling and Technology with the Titanium Black Exterior Package, Power Tailgate, Audi Virtual Cockpit, Wireless Phone Charger, Audi Drive Select for Personalized driving settings, Audi Internet Connect, Audi Advanced Key, LED lights, Elegant interior Wood trim, Rear Tinted Privacy Glass, Satellite radio, Bluetooth...this is an AMAZING Audi Q5!!!
