## Dealer remarks

---

You won't want to miss this excellent value!

Distinctive design and opulent equipment are standard. A turbocharger further enhances performance, while also preserving fuel economy. With less than 4,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Audi prioritized handling and performance with features such as: leather upholstery, power moon roof, and power front seats. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain.

We pride ourselves in the quality that we offer on all of our vehicles. Stop by our dealership or give us a call for more information.
