## Dealer remarks

---

Don't miss this great Audi! It just arrived on our lot this past week! The engine breathes better thanks to a turbocharger, improving both performance and economy. With less than 40,000 miles on the odometer, this car expresses top-tier capabilities, proving the automaker's commitment to quality, safety and comfort! Top features include rain sensing wipers, a blind spot monitoring system, high intensity discharge headlights, and the power moon roof opens up the cabin to the natural environment. Audi made sure to keep road-handling and sportiness at the top of its priority list. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. We pride ourselves on providing excellent customer service. Please don't hesitate to give us a call.
