Dealer remarks

This Audi won't be on the lot long!

You'll appreciate its safety and convenience features! A turbocharger further enhances performance, while also preserving fuel economy. With less than 4,000 miles on the odometer, this 4 door sport utility vehicle excels in its class, and is equipped to provide comfort, safety and style. It includes power seats, a trip computer, heated seats, and cruise control. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain.

We pride ourselves in consistently exceeding our customer's expectations. Stop by our dealership or give us a call for more information.
