Standard features

Dealer remarks

This vehicle won't be on the lot long!

Distinctive design and opulent equipment are standard. A turbocharger is also included as an economical means of increasing performance. With less than 20,000 miles on the odometer, this model delivers an exhilarating ride without compromising ultimate luxury! Top features include heated front seats, power front seats, an automatic dimming rear-view mirror, and the power moon roof opens up the cabin to the natural environment. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, providing a smooth and predictable driving experience. Well tuned suspension and stability control deliver a spirited, yet composed, ride and drive

We pride ourselves in the quality that we offer on all of our vehicles. Please don't hesitate to give us a call.
