## Equipment

The installed navigation system will keep you on the right path. The satellite radio system in this vehicle gives you access to hundreds of nation-wide radio stations with a clear digital signal. The state of the art park assist system will guide you easily into any spot. The sunroof in this mid-size suv is a great way to control temperature and let the outside in. Heated seats for those cold winter days are included in this model. Our dealership has already run the CARFAX report and it is clean. A clean CARFAX is a great asset for resale value in the future. Bluetooth technology is built into this model, keeping your hands on the steering wheel and your focus on the road. See what's behind you with the back up camera on it. This vehicle is equipped with the latest generation of XM/Sirius Radio. See the road and the surrounding area better with the Xenon HID headlamps on the vehicle. Once you have these you'll want them on all your cars.
