Dealer remarks

Drive this home today! This vehicle won't be on the lot long!

It offers the latest in technological innovation and style. Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. All of the following features are included: adjustable headrests in all seating positions, front and rear air conditioning, and seat memory. Smooth gearshifts are achieved thanks to the 3 liter 6 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain.

Our experienced sales staff is eager to share its knowledge and enthusiasm with you. They'll work with you to find the right vehicle at a price you can afford. Please don't hesitate to give us a call.
